## **Essential Oils: A Consumer Scam?**

Many brands of essential oils are marketed to consumers. However, some products are simply fragrance oils that have been diluted by cheaper carrier oils. Laboratory tests can identify the fake products! Join the Chemical Technology program on Saturday, April 22nd, to discover which "essential oils" are an elaborate consumer hoax!

**WHERE:** Natural Science Building, N-202

**DATE:** Saturday, April 22nd 2023

**TIME:** 10:00 am to 2:00 pm

**PARKING:** Visitor's Lot on Corner of 2nd and Walnut or behind N Building
